“The Latest Trends & Techniques of the Most Requested Cosmetic Procedures”

Your patients are requesting non-invasive cosmetic procedures... Why send them somewhere else?

Speaker

Dr. Paul Cenac

Board Certified by the American Board of Plastic Surgery

Date & Time

Saturday, November 15, 2008

1:00 PM to 5:00 PM

Location

Marriott Atlanta Northwest

200 Interstate North Parkway ~ Atlanta, GA

Competitive forces are changing medicine, patient requests for non-invasive procedures are increasing... Omnibus Study indicates 90.2% of doctors will include more cosmetic procedures in their practice in the next 2 years!

Faculty will share both clinical and personal perspectives on several rapid-recovery or no downtime procedures that are growing in popularity.

To attend the seminar please fill out the form below and fax to: **866-249-1767** or email klayman@dermamedusa.com
For more information call **Adriana Fazio** or **Kelly Layman** at **888-789-6342** (No limit on attendees)
